Re: Haiti Earthquake Disaster

First and foremost, we request the prayers of everyone for the country of Haiti, the families of those who have lost lives, the injured and all of those that have been affected as a result of the devastating earthquake which has claimed the lives of so many.

In an effort to assist in providing relief to the people of Haiti during this tragic and difficult time, we have established the "Haiti Relief Fund" for our membership and friends to make sacrificial monetary tax-deductible donations. We believe as an organization that our combined giving will be more impactful.

All donations received by our organization will be monitored by our Board of Directors. Together our Outreach Ministry and Board of Directors will decide, after a thorough investigation, as to which charitable organization or venue will be used to most effectively aide in this worthy cause for our brothers and sisters in Christ.

We are asking that you make your check or money order payable to NUCUAA, Inc. and designate in the memo area, "Haiti Relief Fund" and send your tax-deductible donations to:

Melinda H. Wilkins, Financial Secretary, NUCUAA, Inc.
8100 Bonaire Court - Silver Spring, MD 20910

It is through God's grace, mercy and abundant blessings that we have prospered as a national organization for over ninety (90) years. Therefore, it is most appropriate and fitting that we become a blessing to our Haitian brothers and sisters by giving back a portion of what God has given us.
