Board of Directors Update

Greetings Fellow Ushers!

The Board of Directors would like to thank you for helping to make the 92nd National Convention in Reno- Sparks, NV a great success. We extend special appreciation to Western Region Director, Ruth I. Jones, State President, Lena Brass, Convention Chairman, Helene D. Ward and the entire Western Region for your outstanding support and hospitality. We would also like to extend special thanks to all of the Department and Committee Chairmen and their members for your support. We realize that transportation to Reno was challenging for some delegates, however we greatly appreciate your attendance at the business sessions, workshops and programs.

We would also like to thank Bro. Samuel Whiteside (MO), and Sis. Oni N. Oluremi-Minnifield (GA) for their exceptional service and support during their tenure on the Board of Directors.

Congratulations & Welcome

Congratulations and welcome to the newly elected Board Members: Frankie Roberson (MO) and Willis Warren (NV). Congratulations also to all elected and appointed officers. We look forward to continue working closely with National President, Filmore F. Gregory, newly elected Young Adult President, LaTasha Pettis, newly elected Junior and Young People President, Tyneka L. Riddick also the Department and Committee Chairmen. We solicit your support and prayers as we move forward with the business of this great organization.

As we begin to prepare for the 93rd National Convention the Board of Directors will also be seeking ways to increase attendance at future conventions. A few of the immediate and future goals are as follows:

- Keep the delegates abreast of key information throughout the year by utilizing the social media, frequent Board Updates, IT/Marketing Strategies Committee and written correspondences
- Work closely with the National President to help streamline the agenda so that the delegates can have more free time available while at the convention
- Present incentives for delegates who pre-register early and stay for the duration of the convention in the headquarter hotel
- Select future convention sites that are convenient for the delegates during convention week and also easier accessible to transportation to ensure smooth traveling to and from the convention
