PRAYER FOR N.U.C.U.A.A

Heavenly Father, it is a few of your humble servants coming before you to thank you for another opportunity to open our eyes to see, for life, health, and strength, for the activity of our limbs, and for being clothed in our right minds! God, we come to You with a grateful heart, and our mouths filled with praise.

As we march towards our Centennial Year for the National United Church Ushers Association of America, Inc. God, we are asking that You lead the charge. Guide us in the way that You want this Organization to go. We rededicate ourselves to You, God. Continue to bless this Organization from this Centennial Year until the next. Lead, guide, and direct the leadership in every meeting, on every conference call, in every decision that is made, and in every word and deed. Bless the membership of this Organization no matter what capacity they are in. Bless each member from the youngest to the oldest. Let us be ever so mindful that if we let our light shine before men, that those who may not know you will cry out “what must I do to be saved?”

God, give us a mind of worship for we realize that if it had not been for You, none of this would be possible. Remind us of the reason why we chose to do what it is that we do. Remind us that Ushering is a very important part of Kingdom-Building. Remind us that we don't just stand at the door to be standing, but we stand at the door to usher lost souls to Christ. God, we do not take it for granted that You have chosen us to be the Gatekeepers for your House, and because of that, we rededicate ourselves back to You knowing that You will order our steps as we continue to do your will.

Thank you for your continued blessings, grace, and mercy, God, toward us! We will continue to give your name the highest praise because You are worthy.

In the name of the Father, Son, and the Holy Spirit, our souls say Amen.
